DOMINION NATIONAL MEMBERS HAVE ACCESS TO A ROBUST DENTAL NETWORK.

 In fact, 98% of Dominion members have access to two dentists within 10 miles of their homes.³

Effective January 1, 2014, most Americans must obtain pediatric dental coverage for dependents under the age of 19 that complies with the EHB provisions under the Patient Protection and Affordable Care Act (PPACA). If you do not have this coverage through your health insurance plan, you may enroll your dependent(s) in Dominion's pediatric dental plan to ensure that you are meeting the requirements of PPACA. If you choose to enroll in a Select Plan, Elite ePPO or PPO plan, your dependents under the age of 19 will automatically be enrolled in the pediatric dental plan. For full coverage details regarding Dominion's certified pediatric dental plans, please visit DominionNational.com/pediatric.

¹ Deductibles apply to all services.

² Deductibles apply to basic care and major restorative care.

How to Calculate Your Monthly Rates

- Determine your rating region based on your county or state of residence. See Region Legend on page 8.
 - Locate your monthly premium in the chart by referencing the rating region, your plan choice and your age band (range). This is your monthly rate if you are the only subscriber.
 - For each dependent, repeat step 2. You will only be charged for up to three child dependents.
 - Add up each family member's rate to determine your total monthly premium.
- Example: A family of four living in Virginia, with two adults in the 30-45 age band and two children under age 19 enrolling in the PPO Basic plan:
1. Richmond City is in Region 8.
2. PPO Basic monthly rate in Region 8 in the 30-45 age band = \$19.04.
3. Primary Subscriber (Adult 1) and Adult Dependent (Adult 2) = (2 x \$19.04) = \$38.08 + Dependent Child 1 and Dependent Child 2 = (2 x \$20.63 = \$41.26).
4. \$38.08 + \$41.26 = \$79.34.

Value-Added Member Benefits

As a Dominion National member, you have access to additional benefits to help support you on your path to overall health and wellness. These benefits include:

SmileDirectClub's Clear Aligner Program

SmileDirectClub's orthodontic clear aligners offer a flexible and convenient alternative to traditional braces without the higher price tag or required monthly in-person visits.

How does the SmileDirectClub program work?

1. Take your 3D image: Get started in the convenience of your home with an easy-to-use impression kit; at one of SmileDirectClub's SmileShops; or at a SmileDirectClub affiliated dental practice.¹ A state-licensed dentist or orthodontist reviews your case and prescribes aligners, if appropriate.
2. Preview your new smile: You will receive a digital model and timeline for your improved smile; your custom-made aligners are created, which will arrive within 3-4 weeks in the mail; then treatment begins.
3. Virtual check-ins: Your assigned dentist or orthodontist will have regular virtual check-ins, guiding your treatment remotely through the SmileDirectClub platform. An experienced dental team is also available around-the-clock via text, video chat, email or phone.
4. Show the world your new smile: After 4-6 months, treatment is complete and your new smile awaits. SmileDirectClub provides a lifetime guarantee² and oral care maintenance advice so you can protect your new smile.

With SmileDirectClub's clear aligner program, you can achieve significant savings on orthodontia (up to 67%) compared to the national average cost of traditional braces and Invisalign.³

To learn more about the SmileDirectClub program, visit DominionNational.com/sdc.

[See reverse side
for more benefits](#)

1. Dominion members work directly with SmileDirectClub for this program. SmileDirectClub facilitates treatment with a state-licensed dentist who may or may not be affiliated with the member's Dominion National plan network.
2. Member must stay current with retainer maintenance program to be eligible for one aligner touch-up per year as needed at no additional cost.
3. Cost of traditional braces and traditional invisible aligners based on average total fees for treatment of mild-to-moderate malocclusion. Data on file at SmileDirectClub.

Not all individuals are suitable candidates for clear aligners. These services, which are offered and arranged for by SmileDirectClub, are intended for certain individuals who have mild or moderate orthodontic needs and only if approved by a state-licensed dentist or orthodontist. Dominion National is not a provider of dental care services. Notice of this SmileDirectClub offering is for informational purposes only and is not medical advice.

4. Teledentistry services are offered by DigiBite LLC. Not all dental conditions are suitable for review through the teledentistry platform. A teledentistry dentist may have limited ability to diagnose a condition through the teledentistry platform. Further, a teledentistry dentist may recommend that the individual seek evaluation and care from a physical dental office. Member dental plan policy will dictate coverage. Any teledentistry services provided will count toward applicable benefit frequency limitations. DigiBite LLC and Dominion National are not providers of dental care services. Notice of this teledentistry offering is for informational purposes only and is not medical advice. A payment may be required to schedule your consult and receive a report. Any applicable coverage from your dental plan will already be credited in the DigiBite app. Please refer to your dental plan policy for details regarding plan deductibles, annual maximum limits, copayments and frequency limits for services rendered. If a payment is required, no claim will need to be submitted to Dominion.
5. Based on Amplifon Hearing Health Care average member savings data for 2020. Pricing valid only at participating in-network locations. Amplifon Hearing Health Care is solely responsible for the administration of hearing health care services and its own financial and contractual obligations. Dominion Dental Services, Inc., which operates under the trade name "Dominion National," and Amplifon are independent, unaffiliated companies. Dominion National is not a provider of, nor provides coverage for, hearing health care services. The Amplifon Hearing Health Care discount program is not approved for use with any 3rd party payor program, including government and private third-party payor programs.
