

The dental plan is underwritten by Dominion Dental Services, Inc. (hereinafter referred to as "Dominion").

Select Plan Basic 703xa (DC)
Description of Services, Member Copayments, Exclusions and Limitations for Adult Services (age 19 and over)
 - Coverage begins the first day of the month following the month in which the Member turns 19 -

Plan Highlights

- This plan has fixed copayments.
- There is no out-of-network coverage (with the exception of out-of-area emergency dental services and/or for services provided when a Member is referred to an out-of-network specialist). See exclusion 11.
- There are no annual maximum dollar limits, no waiting periods and no deductibles.
- If course of treatment is to exceed \$300, prior review is recommended.

D8660	Pre-orthodontic treatment visit	413			
D8670	Periodic ortho. treatment visit (as part of contract)	118			

Plan Exclusions

Please refer to the section in your Individual Dental Policy titled "State-Specific Exclusions or Exceptions" for additional exclusions and/or exceptions to the following exclusions, if applicable.

1. Services which are covered under worker's compensation or employer's liability laws.
2. Services which are not necessary for the patient's dental health as determined by the Plan.
3. Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
4. Oral surgery requiring the setting of fractures or dislocations.
5. Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where such services should not be performed in a dental office.
6. Dispensing of drugs.
7. Hospitalization for any dental procedure.
8. Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
9. Replacement due to loss or theft of prosthetic appliance.
10. Procedures not listed as covered benefits under this Plan.
11. Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan (with the exception of out-of-area emergency dental services).
12. Services related to the treatment of TMD (Temporomandibular Disorder).
13. Services related to procedures that are of such a degree of complexity as to not be normally performed by a Participating General Dentist. Above copayments do not apply when performed by a participating plan specialist (with the exception of orthodontics and palliative emergency pain treatment). Participating plan specialists, if available, have entered into an agreement with Dominion National to provide dental services to members at a 25% reduction from their Usual, Customary, and Reasonable (UCR) fees. This means that Member will be responsible for 25% of the lesser of a Participating Specialists UCR fee or the amount the provider has agreed to accept. Members must directly contact the Participating Specialist to obtain fees as the amount varies by provider.
14. Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth, including third molars, as determined by the Plan.
15. The Invisalign system and similar appliances are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.

Plan Limitations

1. Two (2) evaluations are covered per calendar year per patient including a maximum of one (1) comprehensive evaluation.
2. One (1) problem focused exam is covered per calendar year per patient.
3. Two (2) teeth cleanings (prophylaxis) are covered per calendar year per patient (one additional cleaning is covered during pregnancy and for diabetic patients).
4. One (1) topical fluoride or fluoride varnish is covered per calendar year per patient.
5. Two (2) bitewing x-rays are covered per calendar year per patient.
6. One (1) set of full mouth x-rays or panoramic film is covered every three (3) years per patient.
7. Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
8. Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
9. Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan. Additional crown or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
10. Relining and rebasing of dentures is covered once every 24 months per patient.

11. Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
12. Root planing or scaling is covered once every 24 months per quadrant per patient.
13. Scaling in presence of generalized moderate or severe gingival inflammation - full mouth, after oral evaluation and in lieu of a covered D1110, limited to once per two years.
14. Scaling and debridement in the presence of inflammation or mucositis of a single implant, including cleaning of the implant surfaces, without flap entry and closure
15. Full mouth debridement is covered once per lifetime per patient.
16. Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months per patient. Must have pocket depths of five (5) millimeters or greater.
17. Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site per patient.
18. Periodontal maintenance after active therapy is covered twice per calendar year, within 24 months after definitive periodontal therapy, per patient.
19. Coronectomy - intentional partial tooth removal, once per lifetime.
20. Teledentistry, synchronous (D9995) or asynchronous (D9996), limited to two per calendar year (when available).
21. Orthodontia treatment is limited to once per lifetime.

The dental plan is underwritten by Dominion Dental Services, Inc. (hereinafter referred to as "Dominion").

Select Plan Basic 703xa (DE)
Description of Services, Member Copayments, Exclusions and Limitations for Adult Services (age 19 and over)
 - Coverage begins the first day of the month following the month in which the Member turns 19 -

Plan Highlights

- This plan has fixed copayments.
- There is no out-of-network coverage (with the exception of out-of-area emergency dental services and/or for services provided when a Member is referred to an out-of-network specialist). See exclusion 11.
- There are no annual maximum dollar limits, no waiting periods and no deductibles.
- If course of treatment is to exceed \$300, prior review is recommended.

Plan Exclusions

Please refer to the section in your Individual Dental Policy titled "State-Specific Exclusions or Exceptions" for additional exclusions and/or exceptions to the following exclusions, if applicable.

1. Services which are covered under worker's compensation or employer's liability laws.
2. Services which are not necessary for the patient's dental health as determined by the Plan.
3. Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
4. Oral surgery requiring the setting of fractures or dislocations.
5. Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where such services should not be performed in a dental office.
6. Dispensing of drugs.
7. Hospitalization for any dental procedure.
8. Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
9. Replacement due to loss or theft of prosthetic appliance.
10. Procedures not listed as covered benefits under this Plan.
11. Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan (with the exception of out-of-area emergency dental services).
12. Services related to the treatment of TMD (Temporomandibular Disorder).
13. Services related to procedures that are of such a degree of complexity as to not be normally performed by a Participating General Dentist. Above copayments do not apply when performed by a participating plan specialist (with the exception of orthodontics and palliative emergency pain treatment). Participating plan specialists, if available, have entered into an agreement with Dominion National to provide dental services to members at a 25% reduction from their Usual, Customary, and Reasonable (UCR) fees. This means that Member will be responsible for 25% of the lesser of a Participating Specialists UCR fee or the amount the provider has agreed to accept. Members must directly contact the Participating Specialist to obtain fees as the amount varies by provider.
14. Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth, including third molars, as determined by the Plan.
15. The Invisalign system and similar appliances are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.

Plan Limitations

1. Two (2) evaluations are covered per calendar year per patient including a maximum of one (1) comprehensive evaluation.
2. One (1) problem focused exam is covered per calendar year per patient.
3. Two (2) teeth cleanings (prophylaxis) are covered per calendar year per patient (one additional cleaning is covered during pregnancy and for diabetic patients).
4. One (1) topical fluoride or fluoride varnish is covered per calendar year per patient.
5. Two (2) bitewing x-rays are covered per calendar year per patient.
6. One (1) set of full mouth x-rays or panoramic film is covered every three (3) years per patient.
7. Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
8. Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
9. Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan. Additional crown or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
10. Relining and rebasing of dentures is covered once every 24 months per patient.

11. Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
12. Root planing or scaling is covered once every 24 months per quadrant per patient.
13. Scaling in presence of generalized moderate or severe gingival inflammation - full mouth, after oral evaluation and in lieu of a covered D1110, limited to once per two years.
14. Scaling and debridement in the presence of inflammation or mucositis of a single implant, including cleaning of the implant surfaces, without flap entry and closure
15. Full mouth debridement is covered once per lifetime per patient.
16. Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months per patient. Must have pocket depths of five (5) millimeters or greater.
17. Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site per patient.
18. Periodontal maintenance after active therapy is covered twice per calendar year, within 24 months after definitive periodontal therapy, per patient.
19. Coronectomy - intentional partial tooth removal, once per lifetime.
20. Teledentistry, synchronous (D9995) or asynchronous (D9996), limited to two per calendar year (when available).
21. Orthodontia treatment is limited to once per lifetime.

The dental plan is underwritten by Dominion Dental Services, Inc. (hereinafter referred to as "Dominion").

Select Plan Basic 703xa (MD)
Description of Services, Member Copayments, Exclusions and Limitations for Adult Services (age 19 and over)
 - Coverage begins the first day of the month following the month in which the Member turns 19 -

Plan Highlights

- This plan has fixed copayments.
- There is no out-of-network coverage (with the exception of out-of-area emergency dental services and/or for services provided when a Member is referred to an out-of-network specialist). See exclusion 11.
- There are no annual maximum dollar limits, no waiting periods and no deductibles.
- If course of treatment is to exceed \$300, prior review is recommended.

Plan Exclusions

Please refer to the section in your Certificate of Coverage titled "State-Specific Exclusions" for additional exclusions, if applicable.

1. Services which are covered under worker's compensation or employer's liability laws.
2. Services which are not necessary for the patient's dental health as determined by the Plan.
3. Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
4. Oral surgery requiring the setting of fractures or dislocations.
5. Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where, in the opinion of the Plan, such services should not be performed in a dental office.
6. Dispensing of drugs.
7. Hospitalization for any dental procedure.
8. Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
9. Replacement due to loss or theft of prosthetic appliance.
10. Procedures not listed as covered benefits under this Plan.
11. Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan (with the exception of out-of-area emergency dental services).
12. Services related to the treatment of TMD (Temporomandibular Disorder).
13. Services related to procedures that are of such a degree of complexity as to not be normally performed by a participating general dentist. Above copayments do not apply when performed by a participating plan specialist (with the exception of orthodontics and palliative emergency pain treatment). Participating plan specialists, if available, have entered into an agreement with Dominion National to provide dental services to members at a 25% reduction from their Usual, Customary, and Reasonable (UCR) fees. This means that Member will be responsible for 25% of the lesser of a Participating Specialist's UCR fee or the amount the provider has agreed to accept. Members must directly contact the Participating Specialist to obtain fees, as the amount varies by provider.
14. Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth, including third molars, as determined by the Plan.
15. The Invisalign system and similar appliances are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.

Plan Limitations

1. Two (2) evaluations are covered per calendar year per patient including a maximum of one (1) comprehensive evaluation.
2. One (1) problem focused exam is covered per calendar year per patient.
3. Two (2) teeth cleanings (prophylaxis) are covered per calendar year per patient (one additional cleaning is covered during pregnancy and for diabetic patients).
4. One (1) topical fluoride or fluoride varnish is covered per calendar year per patient.
5. Two (2) bitewing x-rays are covered per calendar year per patient.
6. One (1) set of full mouth x-rays or panoramic film is covered every three (3) years per patient.
7. Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
8. Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
9. Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan. Additional crown or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
10. Relining and rebasing of dentures is covered once every 24 months per patient.

11. Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
12. Root planing or scaling is covered once every 24 months per quadrant per patient.
13. Scaling in presence of generalized moderate or severe gingival inflammation - full mouth, after oral evaluation and in lieu of a covered D1110, limited to once per two years.
14. Scaling and debridement in the presence of inflammation or mucositis of a single implant, including cleaning of the implant surfaces, without flap entry and closure.
15. Full mouth debridement is covered once per lifetime per patient.
16. Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months per patient. Must have pocket depths of five (5) millimeters or greater.
17. Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site per patient.
18. Periodontal maintenance after active therapy is covered twice per calendar year, within 24 months after definitive periodontal therapy, per patient.
19. Coronectomy - intentional partial tooth removal, once per lifetime.
20. Teledentistry, synchronous (D9995) or asynchronous (D9996), limited to two per calendar year (when available).
21. Orthodontia treatment is limited to once per lifetime.

The dental plan is underwritten by Dominion Dental Services, Inc. (hereinafter referred to as "Dominion").

Select Plan Basic 703xa (PA)
Description of Services, Member Copayments, Exclusions
and Limitations for Adult Services (age 19 and over)
 - Coverage begins the first day of the month following the month in which the Member turns 19 -

Plan Highlights

- This plan has fixed copayments.
- There is no out-of-network coverage (with the exception of out-of-area emergency dental services and/or for services provided when a Member is referred to an out-of-network specialist). See exclusion 11.
- There are no annual maximum dollar limits, no waiting periods and no deductibles.
- If course of treatment is to exceed \$300, prior review is recommended.

Plan Exclusions

Please refer to the section in your Individual Dental Policy titled "State-Specific Exclusions or Exceptions" for additional exclusions and/or exceptions to the following exclusions, if applicable.

1. Services which are covered under worker's compensation or employer's liability laws.
2. Services which are not necessary for the patient's dental health as determined by the Plan.
3. Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
4. Oral surgery requiring the setting of fractures or dislocations.
5. Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where such services should not be performed in a dental office.
6. Dispensing of drugs.
7. Hospitalization for any dental procedure.
8. Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
9. Replacement due to loss or theft of prosthetic appliance.
10. Procedures not listed as covered benefits under this Plan.
11. Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan (with the exception of out-of-area emergency dental services).
12. Services related to the treatment of TMD (Temporomandibular Disorder).
13. Services related to procedures that are of such a degree of complexity as to not be normally performed by a Participating General Dentist. Above copayments do not apply when performed by a participating plan specialist (with the exception of orthodontics and palliative emergency pain treatment). Participating plan specialists, if available, have entered into an agreement with Dominion National to provide dental services to members at a 25% reduction from their Usual, Customary, and Reasonable (UCR) fees. This means that Member will be responsible for 25% of the lesser of a Participating Specialists UCR fee or the amount the provider has agreed to accept. Members must directly contact the Participating Specialist to obtain fees as the amount varies by provider.
14. Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth, including third molars, as determined by the Plan.
15. The Invisalign system and similar appliances are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.

Plan Limitations

1. Two (2) evaluations are covered per calendar year per patient including a maximum of one (1) comprehensive evaluation.
2. One (1) problem focused exam is covered per calendar year per patient.
3. Two (2) teeth cleanings (prophylaxis) are covered per calendar year per patient (one additional cleaning is covered during pregnancy and for diabetic patients).
4. One (1) topical fluoride or fluoride varnish is covered per calendar year per patient.
5. Two (2) bitewing x-rays are covered per calendar year per patient.
6. One (1) set of full mouth x-rays or panoramic film is covered every three (3) years per patient.
7. Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
8. Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
9. Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan. Additional crown or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
10. Relining and rebasing of dentures is covered once every 24 months per patient.

11. Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
12. Root planing or scaling is covered once every 24 months per quadrant per patient.
13. Scaling in presence of generalized moderate or severe gingival inflammation - full mouth, after oral evaluation and in lieu of a covered D1110, limited to once per two years.
14. Scaling and debridement in the presence of inflammation or mucositis of a single implant, including cleaning of the implant surfaces, without flap entry and closure
15. Full mouth debridement is covered once per lifetime per patient.
16. Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months per patient. Must have pocket depths of five (5) millimeters or greater.
17. Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site per patient.
18. Periodontal maintenance after active therapy is covered twice per calendar year, within 24 months after definitive periodontal therapy, per patient.
19. Coronectomy - intentional partial tooth removal, once per lifetime.
20. Teledentistry, synchronous (D9995) or asynchronous (D9996), limited to two per calendar year (when available).
21. Orthodontia treatment is limited to once per lifetime.

The dental plan is underwritten by Dominion Dental Services, Inc. (hereinafter referred to as "Dominion").

Select Plan Basic 703xa (VA)
Description of Services, Member Copayments, Exclusions
and Limitations for Adult Services (age 19 and over)
 - Coverage begins the first day of the month following the month in which the Member turns 19 -

Plan Highlights

- This plan has fixed copayments.
- There is no out-of-network coverage (with the exception of out-of-area emergency dental services and/or for services provided when a Member is referred to an out-of-network specialist). See exclusion 11.
- There are no annual maximum dollar limits, no waiting periods and no deductibles.
- If course of treatment is to exceed \$300, prior review is recommended.

Plan Exclusions

Please refer to the section in your Individual Dental Policy titled "State-Specific Exclusions or Exceptions" for additional exclusions and/or exceptions to the following exclusions, if applicable.

1. Services which are covered under worker's compensation or employer's liability laws.
2. Services which are not necessary for the patient's dental health as determined by the Plan.
3. Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
4. Oral surgery requiring the setting of fractures or dislocations.
5. Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where such services should not be performed in a dental office.
6. Dispensing of drugs.
7. Hospitalization for any dental procedure.
8. Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
9. Replacement due to loss or theft of prosthetic appliance.
10. Procedures not listed as covered benefits under this Plan.
11. Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan (with the exception of out-of-area emergency dental services).
12. Services related to the treatment of TMD (Temporomandibular Disorder).
13. Services related to procedures that are of such a degree of complexity as to not be normally performed by a Participating General Dentist. Above copayments do not apply when performed by a participating plan specialist (with the exception of orthodontics and palliative emergency pain treatment). Participating plan specialists, if available, have entered into an agreement with Dominion National to provide dental services to members at a 25% reduction from their Usual, Customary, and Reasonable (UCR) fees. This means that Member will be responsible for 25% of the lesser of a Participating Specialists UCR fee or the amount the provider has agreed to accept. Members must directly contact the Participating Specialist to obtain fees as the amount varies by provider.
14. Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth, including third molars, as determined by the Plan.
15. The Invisalign system and similar appliances are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.

Plan Limitations

1. Two (2) evaluations are covered per calendar year per patient including a maximum of one (1) comprehensive evaluation.
2. One (1) problem focused exam is covered per calendar year per patient.
3. Two (2) teeth cleanings (prophylaxis) are covered per calendar year per patient (one additional cleaning is covered during pregnancy and for diabetic patients).
4. One (1) topical fluoride or fluoride varnish is covered per calendar year per patient.
5. Two (2) bitewing x-rays are covered per calendar year per patient.
6. One (1) set of full mouth x-rays or panoramic film is covered every three (3) years per patient.
7. Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
8. Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
9. Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan. Additional crown or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
10. Relining and rebasing of dentures is covered once every 24 months per patient.

11. Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
12. Root planing or scaling is covered once every 24 months per quadrant per patient.
13. Scaling in presence of generalized moderate or severe gingival inflammation - full mouth, after oral evaluation and in lieu of a covered D1110, limited to once per two years.
14. Scaling and debridement in the presence of inflammation or mucositis of a single implant, including cleaning of the implant surfaces, without flap entry and closure
15. Full mouth debridement is covered once per lifetime per patient.
16. Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months per patient. Must have pocket depths of five (5) millimeters or greater.
17. Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site per patient.
18. Periodontal maintenance after active therapy is covered twice per calendar year, within 24 months after definitive periodontal therapy, per patient.
19. Coronectomy - intentional partial tooth removal, once per lifetime.
20. Teledentistry, synchronous (D9995) or asynchronous (D9996), limited to two per calendar year (when available).
21. Orthodontia treatment is limited to once per lifetime.
